

# MACHINERIES

We are the sole distributor of largest machineries manufacturer for Plastic Industries.  
Our Range of products include:

## CATEGORIES

**Blown Film Line:**  
Monolayer Blown Film Plant  
CoEx Blown Film Plant (ABA Film)  
Multilayer Blown Film Plant

### Bag Making Machine:

Center seal three side seal  
Courier Bag Maker  
Fin & Lap Seal  
Flying Knife  
Side Seal  
Standup Pouch Maker

# MACHINERIES

We are the sole distributor of largest machineries manufacturer for Plastic Industries. Our Range of products include:

## CATEGORIES

**Pipe Plant:**

PVC Pipe Plant  
HDPE Pipe Plant  
PPR Pipe Plant

### Injection Molding:

We have different models of the injection molding machine to cater specifically to the varied needs of the global markets.

**Auxiliary Machines:** One stop solution for whole plant planning for extrusion & injection molding Application. Our product range includes:

Corona Discharge Treater  
Induction Cap Sealer  
Drying & Dehumidifying  
Feeding & Conveying  
Dosing & Mixing  
Heating & Cooling  
Granulating & Recycling  
Automation Solutions  
Hot Runner system  
Extrusion Process Solution  
System Solution
